

First Aid for Foster Carers Course

First Aid for Foster Carers Course Overview

The First Aid for Foster Carers Course is suitable for everyone who is currently or is seeking to become a Foster Carer, and meets Standard 6.7 of the National Minimum Standards for Fostering Services, which requires all foster carers to receive ‘.. basic training on ... and first aid ..’

This 4 hour course was designed in conjunction with social workers from the Hertfordshire Family Placement Service and was then delivered to all of their foster carers. We have since delivered this course to foster carers and social workers across the U.K.

Our aim at Good Skills Training is that all learners should enjoy their First Aid for Foster Carers Course and that by the end of their course all learners should be safe, prompt, effective and confident first aiders in the home.
