

## **CIEH Level 2 Award for Health and Safety in the Workplace Course**

### **Level 2 Health and Safety Course Overview**

The Level 2 Award in Health and Safety in the Workplace is aimed at all employees and is designed to ensure that all employees are aware of their own safety and the safety of customers, contractors and the public. This qualification can be tailored to business and individual needs to make the learning experience relevant and fit for purpose.

It is intended for learners already in workplaces and those who are preparing to start or return to work. It is also very useful for young persons to raise their ability to identify and understand hazards when preparing for work experience and into employment.

Although the Level 2 Health and Safety Course can be tailored to specific industries and job roles there is a baseline syllabus that needs to be followed as highlighted below, although this can be added to and expanded on.
