

Highfield Level 3 Award in Food Safety Course

The Level 3 Award in Food Safety Course is a three-day course designed for those who work in the food industry in a supervisory role. Food safety legislation requires that all staff involved in organisations handling food receive appropriate training in food hygiene, in line with their work activities so that food is safe for consumption and to reduce the chances of food poisoning. The level 3 in food safety covers topics that are regarded by the Food Standards Agency as important for maintaining good practice in a supervisory role.
